

*“Praise be to God  
the Father of our Lord  
Jesus Christ,  
the Father of Compassion and  
the God of all Comfort,  
who comforts us in all our  
troubles,  
so that we can comfort those  
in any trouble with the  
comfort we ourselves  
have received  
from God.”*

2 Corinthians 1:3-4

Asking for help when it's really needed is a sign of foresight and strength, not weakness or defeat. Remember that the view of a concerned yet objective counselor can often help you rediscover your resources and add new dimensions of hope to a difficult situation.

## **INFORMATION ABOUT OUR SERVICES IN BRIEF**

Shepherd's Staff Christian Counseling Center is a non-profit organization [501(c)3] providing professional services from an interdenominational Christian perspective. We believe that traditional counseling and psychotherapy are more effective when they are applied and understood from a perspective sensitive to one's faith and spiritual commitment. We believe that human experience, whether troublesome or fulfilling, has spiritual as well as social, psychological, and physical components

We are confident that the compassionate, healing ministry of Jesus Christ continues today by the work of the Holy Spirit through His believers. We combine up-to-date professional practice and the creative application of Biblical principles to our clients unique circumstances.

Though we provide services from Christian perspective we do not proselytize and welcome and respect those from other faiths as well as

those who have no religious affiliation. It is our hope to complement the efforts of local clergy from all denominations who may at times desire the support of a professional counseling service that will be in tune with spiritual values and beliefs of their parishioners.

We provide individual treatment, family therapy, child and adolescent therapy, marital and couples counseling and group therapy. Our staff also handles concerns related to personal and spiritual growth, behavioral and emotional matters, psychological, addictive, trauma, and grief issues. See staff biographies on our website for staff practice interests and specialties.

We also provide seminars, workshops, critical incident stress management, interventions for organizational "trouble" and team building, and supervision and consultation for pastors and other professionals . We also maintain a list of Christian 12-step, support, and miscellaneous groups in Utah open to the public. See our website for the lists of presentations and groups.
